

Cool  
Stuff!

# Bullet Thermos

- **Double Wall Vacuum Insulated**

Double vacuum insulated wall construction allows for hot teas, soups, coffee or other blends to remain consistently hot for up to 24 hours.

Also, cold water, smoothies, soft drinks or anything you may need very cold. 36 hours of insulated confidence. Guaranteed cold, Period!

- **18/8 Food Grade Stainless Steel**

Made from pure food grade, light weight, durable 18-8 stainless steel.

- **Will Not Sweat**

The bottle will not "sweat", meaning it will not create condensation which may leave a ring of liquid on any surface.

**Food Grade Stainless Steel**

**Up to 36 hrs Insulation**

**Acier inoxydable de qualité alimentaire**

**Jusqu'à 36 heures d'isolation**
